Business Background and History- D & J Electric is now Signature Electric

Signature Electric is an established electrical contractor serving residential, commercial, industrial and institutional clients in the Greater Omaha and Council Bluffs region. Signature Electric has a respected reputation in the industry and the community (BBB A+ rating). For over 40 years, the business has been built on trust, professionalism, integrity, and quality workmanship. These core values remain and continue to guide and strengthen our team. We have earned trust in the industry by getting the job done right, safely, every time, and we're not finished until our clients are satisfied. As a result, Signature Electric proudly receives numerous referrals from general contractors, architects and engineers who recognize the quality performance of our work.

Geographic Coverage: Serving the seven-county region surrounding the Greater Omaha-Council Bluffs Metropolitan area- Iowa-Pottawattamie County Nebraska-Douglas, Sarpy, Washington, Cass, Eastern Saunders and Eastern Dodge Counties
